From
Sri M.T. Raju, Barr-at-law, I.C.S.,
Director of Industries and Commerce,
'Packer's Gardens', Madras. 64

To
The Secretary to Government
Development Department,
Madras.

3087

No. 6022 D 1/51 dated 3-12-1951.

Sub: Government Silk Filature, Kollegal - Renewal of Electrical wires in the Premises - Sanction of Expenditure.

The Sericultural Expert, Government Silk Filature, Kollegal has reported that the overhead weather proof cables connecting the different building of the Government Silk Filature and the Electrical Posts are badly worn out due to normal wear and tear. Quite recently there was a short circuit in one of the Electric poles, but the damage rectified in time by the Electrician attached to the Government Silk Filature, Kollegal. The Sericultural Expert Kollegal requested the Executive Engineer, P.W.D. Salem Division to depute one of his assistants to make a thorough inspection of the complete Electric installation of the Government Silk Filature. The Electrical Inspector deputed by the Executive Engineer, P.W.D. Salem Division, Ketturam after inspecting the Electrical Installation of the Government Silk Filature, Kollegal has reported that the overhead weatherproof cables connecting the different blocks and the Electrical posts are in a very bad condition requiring immediate replacement. The Executive Engineer, Salem Division has forwarded two estimates costing of Rs. 1,130/- for the renewing the wornout Electrical cables for my countersignature.

In the standing orders relating to the Government Silk Filature Kollegal Government have fixed percentage limits upto which the Director of Industries and Commerce can sanction expenditure on repairs to the buildings only and no provision is made therein for repairs to the electric installations. I therefore submit this case for favour of sanctioning an expenditure of Rs. 1,130/- for renewing the wornout electrical cables in the Government Silk Filature and the Kollegal Silk Filatures, Kollegal. The work will be undertaken by the P.W.D. I sub it this is the first renewal of the wires since the premises of the Government Silk Filatures, Kollegal were electrified in 19

and estimates received from the Executive Engineer are sent herewith for perusal and return.

James Muniam

For Director of Industries and Commerce.

Query of ADS at 'X' m/p 1 ante.

Submitted that Centage Charge at 14% has to be provided for as the work is ~~apparently~~ to be executed by the PWD and as the expenditure is debitable to '43-Industries' sent may be requested to include in the present sanction Rs 158/- towards Centage charge.

With these remarks the file may be passed on to Finance.
